

Government of Rajasthan (621)
Urban Development and Housing Department

No:F.10(147)UDH/3/ 2008Part-II

Jaipur, Dated :15.12.2015

To,

All Collectors and District Magistrates

All Superintendents of Police

Sub :- Providing Administrative Support for the 4G Project.

Sir,

It has been brought to the notice of the State Government that Telecom Service Providers are facing difficulties in the field in installation of towers for their 4G project. The NOC/Permissions are unduly delayed at the level of Nagar Nigam/Nagar Parishad/Nagar Palika/UIT's/Development Authorities and, even after grant of NOC, the Company officials often experience difficulties in erecting mobile towers due to public resistance.

It was also informed that even after directions from the DGP to all SPs vide order No. व-150कानून-व्यवस्था/2014/1936 दिनांक 22.10.2014 the requisite police support during erection of towers is not forthcoming.

It is, therefore, enjoined upon all officers to extend administrative and police support for the 4G infrastructure project, which would benefit the public at large. The Collectors may intervene, where required, in the process of issuance of NOCs/Permissions at the level of ULBs and instruct them to expedite the process. The S.Ps are requested to provide police support to the company officials during erection of mobile towers with valid NOC/Permission.

(C. S. Rajan)
Chief Secretary,
Govt. of Rajasthan
